

JSCA Safety Committee

DRAFT Meeting Minutes

May 28, 2014

Present: Benoit Sonrel, Chair, Mark Daigle, Roger Middleton, Andrei Bredin, Asst. GM, Mike Cotter, General Manager.

1. New Jericho Rescue Titan:

- Developing deficiency list for warranty items: Tubes-dimpling, starboard mid-ships chamber losing air
- Pre-launch Checklist being developed
- Coast Guard Personnel prefer we don't name the new boat "Jericho Rescue Osprey" to avoid any public perception that our boat is replacing the Kitsilano Coast Guard Station.
New Boat Name --"Jericho Rescue Titan" old boat becomes: "Jericho Rescue Hurricane"
- Steering and throttle controls – need 1 more inch
- Trailer requires step fenders for safe entry/exit on land.
- Tweaking radio reception
- New base antenna
- Fuel tanks – alternate use
- Boat weights will be measured
- par buckling straps installed

2. Jericho Marks:

- New latches installed on anchor & line compartments.

3. Albatross

- Mooring chains and yoke require replacement
- Maintenance – brushing hulls underneath – outside – once a month. Inside could be done from a paddleboard.
- Bolts cut.

3. Hurricane

- GPS – sounder not working
- Checking connections if not Roton
- D rings have been repaired.

4. Upcoming Events

Jericho Classic Regatta, Jericho Catamaran Classic, Wave Chaser Paddling Series.

5. Volunteer Pool

Good turnout by newbies for training sessions. Good support from Jericho Rescue veterans.

6. Lists circulated

Updated 2014 Jericho Rescue Team Contact List Circulated.

7. Member

8. Adjournment
