

**JSCA Safety Committee  
DRAFT Meeting Minutes  
April 22, 2009**

**Present:** Ray Douthwaite, Chair, Philip McIlvenna, Benj Rummen, Mike Cotter, GM.

**Regrets:** Josee Menard, Andrei Bredin, Stephen Chessor.

**1. Approval of Minutes**

Minutes of February 7, 2009 approved.

**2. HSBC Celebration of Light Fireworks**

The HSBC Celebration of Light Fireworks display is back on after originally being cancelled due to lack of sponsorship funding. The 2009 Celebration nights are July 22, 25, 29 and August 1. The Jericho Rescue Team will once again support this event.

**3. Jericho Rescue Team Training Course**

Discussion of the annual Jericho Rescue Team Training Course scheduled for April 25 & 26, 2009.

**4. Albatross Launch**

The Albatross was successfully launched on April 11. There are still a few finishing projects to do but they can be completed while she is on the water.

**5. Rescue Room**

The committee would like to locate a desk in the rescue room for filling out boat and rescue logs as well first aid treatment reports.

**6. Jericho Rescue**

The aft starboard tube has a slow leak, Keith MacGlashan will be called in to repair. GPS and Radio to be installed this week. Bilge switch not working.

**7. PFD's**

We will be purchasing new PFD's for Jericho Rescue Team Use and discarding old ones.

**8. Marks Boat Replacement**

We will get a quote from Fjord for a replacement and start fundraising efforts for JSCA's auxiliary rescue boat.

**9. Georgia Strait Crossing**

Discussion of providing safety support for groups contemplating crossing the Georgia Strait in Jericho style craft. Concern that rescue boats would be unavailable for regular safety duties. Safer routes may be into the Howe Sound or Indian Arm.

**10. Adjournment**

*Next meeting June 1 @ 1900H.*
