

**JSCA 2013 Annual Fleet Planning
DRAFT Meeting Minutes
November 26, 2013**

Present: Andy Hunt, Benoit Sonrel, Jami Bennett, Kelly Thompson, Mike Cotter, General Manager.

1. Introduction of Members

2. Selection of 2014 Programs Committee Chair

Andy Hunt was acclaimed as the JSCA Programs Committee Chair for 2014.

3. Review of 2013 Events

Program participation was up over previous years. The race registration program developed by Richard Spencer was a big positive in facilitating more racers. Racing tweaks for next year should include: an offset orange mark approximately 80 degrees and 25 metres off of the windward mark to allow cats to keep clear of monohulls. A clearing mark should be set for the finish line on downwind finishes to improve safety. Upwind finishes are preferred by cat sailors.

3. Preview of 2014 Events

The Vancouver Boat Show is earlier than ever before January 22-26, we'll put the volunteer sign-up in the December "in the wind." A highlight of the racing season will be the 2014 Pacific Coast Laser Masters Championship in July. Canada Day is on a Tuesday in 2014 and there will be a Special 40th Anniversary Edition of Tuesday Nite Racing with racing from 1230-1600; a bbq; and, racing from 1800-20130H. The complete 2014 Event Schedule as of this date is attached.

5. JSCA 40th Anniversary

All 2014 JSCA events will bear the stamp of our 40th anniversary. Jami Bennett was appointed as Programs Committee Sub-Chair for JSCA's 40th. Promotion will start at the Vancouver Boat Show; website will be updated; we'll focus on the Jericho Boat Show May 10 as well as a JSCA 40th Anniversary Celebration on July 12 during MEC Paddlefest. The founding President of the JSCA, David Hendry, may be in Vancouver sometime in July.
