

JSCA Safety Committee

Draft Meeting Minutes

November 16, 2022 1800H on Zoom

Present: Benoit Sonrel, Chair; Brian Key, Winson Leung, Ian Ross, Paul Dylla, Douw Steyn, Kevin French, Gordon Newell, Florian Krauthan, Dominique Labrosse, Andrei Bredin, Mike Cotter.

1. Election of Chair

Motion:

“To elect Benoit Sonrel Safety Committee Chair for 2022-2023.” Carried

2. Approval of previous minutes

Motion:

“To approve the minutes of March 2, 2022 as presented.” Carried

3. 2022 review and activity summary

- 91 Event days were supported by the Jericho Rescue Team in 2022.
- Jericho Rescue logged 100 rescues benefitting 193 people.
- Rescue data was broken down by member & club affiliation.
- Volunteer and staff rescue stats presented.

4. 2023 event preview

Standard pre-pandemic event schedule planned for 2023. Notable additions Vancouver Boat Show and Vancouver Outdoor and Adventure Show.

5. COVID safety protocols review

Recent developments regarding the rise of influenza, RSV and COVID were discussed as was the provincial recommendation to consider masking in public places. It was agreed to post signage at the Centre advising users of the most recent provincial recommendation.

6. Boat Refits

Albatross

- Electrical system refit scheduled for this offseason. Big thanks to Haakon MacCallum for leading the project
- Cabin and deck rot to be inspected Nov 17 by contractors who did the work last year
- Hatch fasteners to be revisited
- Re-mount port engine
- Paint (deck and hull)
- Light sand and re-coat of bottom paint

Titan

- New radio
- Light refit involving helm and nav console panels, throttle arm repair, new chart plotter, new motor next year (2024).

Marks

- New starboard nav light
- New control cables

Hurricane

- Discreet GPS antenna install
- Intermittent AIS signal
- Bilge pump switch

Elmo

- Spare propeller ordered in May arrived in November
- Additional spare propeller to be ordered

7. Jericho Rescue Team

Motion:

“To adopt the Rescue Team Level promotions as presented by staff.” Carried

Rescue Team Training

- 2023 Rescue Team Intake Course dates April 29 & 30
- Jan 22 AED and Oxygen therapy course by Paul Botkin
- Ongoing Sunday training to include mark setting once a month for Jericho ILCA fleet winter training. Sign-up on TeamApp.
- If Sunday mornings are not good for you there are a few senior volunteers willing to work with Level I and II team members at other times.

8. Other Business

- Suggested to look into Jericho Rescue branded reusable fabric face masks
- Suggested adding fenders to both sides of Albatross
- Suggested putting grab lines on the sides of Albatross (similar to what exists on the RHIBs)
- Suggested labeling the compartments on Hurricane as to the contents
- Suggested revising personal log book pages to include time on board as well as time on helm
- According to the Park Board the Jericho Pier will not be available for use in 2023.
- Details of Expert Voice and Mustang Survival gear deals will be forwarded to team using TeamApp.

9. Adjournment 1915H
