

Regatta Weekend Information:

Arrival and Unloading:

- Jericho Sailing Center is located at 1300 Discovery St, Vancouver, BC V6R 4L9
- The front gate at the club is unlocked until **2100H**. If you arrive after those hours please let Liam know and he can let you in (depending how late you get in and how much heads up you give him). You can reach him (call or text) at (604) 710 0554
- When you arrive you can unload your boat at the entrance to the club (please don't drive into the club grounds). There are hand held trailer trolley's available for use at the club to bring your boat in.
- Leave your boat in front of the sailing center building. Jericho staff at the front office may request specific locations for you to put your boat and trailer.
- After you have unloaded your boat, please park in the parking lot.

Please be aware that the parking lot attendants are strict about paying for parking! I don't recommend taking a chance with not paying (I have gotten way too many tickets there myself).

- Free parking can be found a 5 minute walk from the club at the location shown below

Registration:

- There will be a registration booth setup **Friday from 1900-2100H and Saturday from 0800-1000H.**
- This is where you can pickup your dinner tickets and T-shirts if you pre-purchased them.
- Additional dinner tickets are available to purchase for the Sunday Pizza night for \$15 per person. Please purchase this at the registration booth. We will not offer additional dinner tickets for Saturdays dinner as it can simply be purchased at the Galley restaurant (upstairs at the club) and people can join us at our table
