

## **JSCA Safety Committee**

### **Draft Meeting Minutes**

**January 22, 2015**

**Present:** Benoit Sonrel. Chair; Mark Daigle, Anton Pitts, Andrei Bredin, Asst. GM; Mike Cotter, GM.

#### **1. Jericho Rescue Titan Refit**

Is ready today, arrangements being made for transport back to Jericho.

Tubes treated with internal sealant; in-hull transducer installed.

#### **2. Jericho Rescue Hurricane Refit**

Once Titan back in service Hurricane will have annual servicing done on engine; trailer modification to winch post similar to Titan; upholstery repaired; and tubes serviced.

#### **3. Jericho Marks Refit**

Annual engine servicing completed; shopping for battery charging system similar to Titan's; looking at a reserve battery.

#### **4. Albatross Refit**

Survey inspection is complete, awaiting the report; engines have been serviced, broken engine mount casting will be replaced; modifications will be made to stern engine mounts prior to reinstallation to better facilitate the raising and lowering of engines; looking into an LED solar powered anchor light.

#### **5. Race Committee**

Interested in acquiring an automated race start signaling device to reduce signaling or timing errors.

#### **6. On-water Events**

The PNW ORCA outrigger event is coming up this weekend; UBC Sea to Sky Regatta end of Feb; Head Up the Creek rowing regatta in False Creek March 14; regular racing events start at the end of March. Rescue Team members have been out training regularly on weekends plotting landmarks and other exercises.

#### **7. Jericho Rescue Team Training Manual**

Updated draft looks good so far with input from several JRT members. Will generate the final draft by March 1 to have manual ready prior to the annual Jericho Rescue team Training Course.

## **8. Jericho Rescue Team Training**

Course dates: April 25 & 26. First aid courses set for May 2 & 30.

## **9. MERCC Meeting Date and Exercise**

The next Marine Emergency Response Coordinating Committee meeting has been set for March 3 at 1300H; location TBA. We have offered to host once again. The Jericho Rescue Team has been invited to participate and/or observe a full scale MERCC exercise on April 15. Scenario is being developed; more info. to come.

## **10. Adjournment**
