

JSCA Safety Committee

DRAFT Meeting Minutes

January 22, 2014

Present: Benoit Sonrel, Chair, Mark Daigle, Roger Middleton, Andrei Bredin, Asst. GM, Mike Cotter, General Manager.

1. Albatross Refit:

- Professional repair price quote should include: forward bulkheads; aft corner rubber bumper caps.
- Electrical refit by Andrei & Haakon.
- New winch, previously purchased, to be installed.
- Bottom coat –regular on water bottom brush maintenance
- Hydraulic steering review – cost estimates – the current bar configuration is unsatisfactory.
- Fuel tanks inboard – competitive price
- Will purchase a hand held bullhorn to improve on water communication with racers.

2. Jericho Marks:

- very little needs to be done as it is still very new.
- Paint or decal outside of hull with an orange strip to make it look more like a rescue boat than a fish boat.
- Storage locker lids still flapping at speed; need to solve.
- Cut anchor bars/rods to fit easier into storage lockers.

3. Jericho Rescue

- ready for annual engine servicing. Will do regardless of pending disposal.

4. New Jericho Rescue

- was ordered from Titan the day after board approval.
- expecting completion late March/early April.
- Yamaha 200 hp and electronics have been ordered
- aluminum trailer was also ordered.
- Jacobs ladder research.

5. Jericho Rescue Team Training Course

- last weekend in April: 26 & 27.
- we could retain current Hurricane, if enough instructors.
- could use call sign Jericho Rescue “Osprey” to distinguish.

6. Jericho Rescue Fundraising

- our Fundraising Committee requires an inventory of rescue team equipment, particularly cruiser suits and PFD’s, to approach potential sponsors with wishlist.

7. Jericho Rescue Supported Event

Pacific North West Outrigger Racing Canoe Association this Saturday – Mark, Benoit, Phil Salt, on duty; JOCC’s Jan Chaverie is the organizer.

8. Adjournment
