

JSCA Safety Committee

DRAFT Meeting Minutes

September 17, 2014

Present: Benoit Sonrel, Chair, Mark Daigle, Haakon MacCallum, Andy Hunt, Andrei Bredin, Asst. GM, Mike Cotter, General Manager.

1. Approval of Minutes

Minutes of the May 28, 2014 meeting were approved.

2. Review of 2014 Activities

- In 2014 the Jericho Sailing Centre Association's "Jericho Rescue Team" supported 87 on water event days
- In 2013 Jericho Rescue boats recorded 407 engine hours; in 2014 Jericho Rescue boats were on the water for 572 hours, a 40% increase, largely due to an additional rescue boat and increased volunteer participation.
- We attended to 133 Rescue incidents and rescued 239 people.
- As this was the 1st winter without Kits Coast Guard Station we increased the readiness and training of the Jericho Rescue Team.
- The Jericho Rescue Team participated in training exercises with Coast Guard station #506.
- Winter training sessions resume on Saturdays in October.

3. Review of Jericho Rescue Craft and Equipment

The committee discussed annual winter refit options and repairing minor deficiencies to craft and equipment. The Albatross will come out of the water for annual refit on October 25. Titan will go back to the shop for warranty repairs in November/December. Hurricane, Titan and Marks will get their annual engine refit in January/February.

4. Annual Review of Jericho Rescue Team Volunteer Levels

The committee reviewed current Jericho Rescue volunteer levels and made the appropriate adjustments.

5. 2015 JSCA Safety/Boat Budget

The committee previewed the 2015 JSCA Safety/Boat Budget and made the following motion:

MOTION:

"To recommend the attached 2015 Draft Budget for JSCA Safety/Boat Budget." Carried

6. Adjournment
