

JSCA Safety Committee

DRAFT Meeting Minutes

April 6, 2016

Present: Benoit Sonrel, Chair; Lou Parsons, Maxime Laurent, Brian Evans, Mike Cotter, GM; Andrei Bredin, Assistant GM

1. Approval of Minutes

Minutes of November 24, 2015 approved.

2. Jericho Craft Refit

Albatross on the mooring for the season. AIS activated, visible to shipping. Air horn signals need to be louder for racing.

Titan Need to reinforce proper stowage of AED and O2 for operators.

Marks Annual servicing complete.

Hurricane Engine failed while out training last evening. Cause unknown. Will go into the shop tomorrow for repair as well as annual servicing.

3. Jericho Rescue Team

Annual Training Course April 16 & 17 0900-1700H – course is now full.

Tuesday Nite Rescue Training commences May 3 @ 1730H

Sunday Rescue Training commences May 8 @ 1130H

VHF Radio and PCOC training

4 Other Business

Discussion of potential hazards around the compound including smoking, sharp objects & junk around members stored craft. Children feeding bunnies was not considered a hazard, but “Member’s Only Area” signage will be refreshed to ensure non-members keep out of the boat storage area. A note will be included in the newsletter asking members to keep their storage spaces tidy and free from hazardous objects.

Discussion of Jericho Rescue Team qualifications regarding physical fitness and/or health. Will look at how other organizations deal with this and possibly develop a form for participants to sign.

Many users of the Jericho Sailing Centre have reported encounters with whales over the past week. We will post a notice in the newsletter reminding members that they must stay at least 100M away from whales.
